

Democrats Will Hold Convention

Citizens Will Have Their Only Say in Selection Of National Ticket

Randall County Democrats will meet in precinct conventions on May 6. At that time delegates will be elected to the County Convention which will be held on May 9.

The County Convention will elect delegates to the State Convention which will be held in Austin for the purpose of selecting delegates to the National Convention where the party candidates for President and Vice President will be named.

The precinct convention is the only place in which the voters will have an opportunity for a voice in selecting the candidates for the party. In these conventions the voters may decide whether they shall instruct their delegates to support a 4th term, vote against a 4th term, or send their delegates to the county convention uninstructed.

Delegates named to the county convention and those selected on May 9 to represent the county at Austin on May 23 will either be instructed or go uninstructed.

Any member of the Democratic party may attend the precinct convention in which he is a resident, and vote as he sees fit. Only those who are elected delegates to the county convention will have a voice in the final selection of delegates to the state convention.

Federal Officers Visited Palo Duro Park on Tuesday

National Park Service officials visited the Palo Duro State Park Tuesday. Hillary A. Tolson of Washington, D. C., and regional director M. R. Tilton of Santa Fe headed the party.

This is the first time in several months that representatives of the National Park Service have visited the Park. Dr. Herbert Bolton, historian, is on the trip with the park officials. He has determined that Coronado probably explored the Palo Duro and Tule Canyon 400 years ago.

The National Park Service took over the Palo Duro in 1932 and spent large sums of money in developing the area. All of the roads and improvements which are in the Park are the result of the Park Service development on which CCC labor was used. The federal government closed its work when the question of ownership of the land was raised. The Texas State Parks Board has done no work on the Park.

The Park is very popular in Northwest Texas and thousands of people visit the park every month. It is hoped that the National Park Service will be able to resume its work of development within a short time.

Dr. L. F. Sheffy and Boone McClure joined the park officials on the inspection trip.

Frank Miller, superintendent of the Palo Duro, has made great improvements in the Park facilities during the past 3 years. His intensive work in improving the Park has brought great results in the facilities for accommodating big crowds.

Third Inch Rain Fall Saturday p. m. in Canyon

Canyon received .33 inch rain Saturday afternoon and night.

The rain was accompanied by considerable wind.

April has been a cold month, with the average amount of spring winds. Vegetation has been retarded on account of the backward spring.

Rainfall for the year now amounts to 3.63 inches.

Harris M. Cook Named District Rotary Governor

DR. HARRIS M. COOK

Dr. Harris M. Cook was elected District Governor of Rotary at the District Convention held in Lubbock Sunday and Monday. He will direct work of the 54 clubs of the 127th district for the year starting July 1. Dr. Cook will go to Chicago in June for a conference of all District Governors of Rotary International.

Dr. Cook has been a member of the West Texas State faculty since 1924. He is Professor of Education and is Dean of Men. He served as president of the Canyon Rotary Club, 1938-39, and is now president of the Canyon School Board. He has spoken at many Rotary Clubs in the district and at various conventions of the district.

Warning Given on Tax Exemption

Owners Must Render Their Property To Secure 1944 Homestead Exemptions

Tax Assessor M. E. Cantrell is making an urgent appeal for all tax payers who have not rendered their property for taxes for the year 1944 to do so at once. Those who failed to render their taxes will not be eligible for homestead refund on their state taxes.

Mr. Cantrell states that his deputies have called at every home in the county but missed many property owners who were not at home.

Owing to the gasoline and tire shortage it will be necessary for those who have been missed to call at the office in Canyon in order to render their property for taxes.

Poultry Given Small Raise to Help Producers

Acting to get a better distribution of poultry throughout the year and to permit the surplus crop to be carried for distribution into the period of short supplies, OPA has announced increases in prices for chicken and fowls.

These premiums, effective, April 21, will mean an average increase of two-thirds cents a pound in the prices paid by the ultimate consumer of poultry over a year. For 1944 this is an estimated increase of \$15,000,000. The increase was authorized to encourage the production of live poultry during the short months and to encourage processors to store for these months.

Premiums are effective from April 21, 1944, through the balance of April, May and June of this year, and for January through June of next year. Schedule for January is one-half cent; February, one cent; March one and four-tenths cents; April, one and eight-tenths cents; May, two and two-tenths cents; and June, one cent.

Boyce House Will Be Guest Speaker For Historical Soc.

The Panhandle Plains Historical Society will have its meeting on the campus of W. T. May 12.

Boyce House, nationally known commentator and columnist, will be the main speaker at the dinner meeting at Cousins Hall. His subject will be "Texas and the Great Southwest."

There will be an important business session in the afternoon at which the constitution and by-laws of the society will be revised to fit the present day needs of the society and the museum. The society was organized in February, 1921.

SGT. WIGGINS RETURNED

Sgt. Ernest Wiggins has landed back in the United States from Italy where he has been in action with the 36th Division. He left Canyon with Company F. He has been sick for some time, and received treatment at a hospital on this side several months ago. He was able to return to his unit in Italy, but was again taken ill, and returned to a hospital in West Virginia.

Sgt. Wiggins is a son of Mr. and Mrs. Sam Wiggins.

Prayers to Be Offered As Invasion Starts

When will invasion of Europe come? No one knows, but Canyon citizens will be notified just as soon as possible.

When word comes that invasion is underway, the air raid sirens and the fire siren will be sounded at intervals over a period of three minutes. The whistle at the College will be sounded if it is in working condition at the time.

If the warning is sounded between 7 a. m. and 10 p. m., every church in Canyon will be opened and every citizen who is able to do so is urged to go to some church for prayer for the success of the invasion, and that the lives of our brave soldiers may be spared.

If the invasion starts after dark, every church in Canyon will be lighted as quickly as possible, ready to receive those who may come.

Citizens are asked to go to the churches without waiting to change their clothes.

This is not a time for spectacular show, or a display of pseudo patriotism. Men will be dying! Perhaps several Canyon boys will give their lives for their country at this fateful moment. Our boys will be facing a wall of steel, and will breathe air laden with shells, bombs and every death dealing device that a monstrous enemy will be able to pour at them.

If you have never prayed in your life—utter a prayer at that time.

If you have not been in church for a long time—go on this occasion. No business is too urgent, or too pressing that a few minutes cannot be spared to lift your voice in prayer upon this occasion.

Those who cannot go to church at this time should stand for a few

minutes, facing the east and with bowed heads remember that men are giving their lives that those of us here in Canyon may live.

If the schools are in session at the time of invasion, all activities will cease for a period.

All of the ministers of Canyon have entered into the community prayer event, and all public officials and business men who have been contacted are heartily in favor of this observation.

The News has made arrangements to receive a flash when it is certain that the invasion has started. The Germans may put out false reports or feelers in advance of actual invasion, and all American news agencies have been advised not to start their prayer services until the Allied command releases the fact that invasion is actually under way.

Worm Battle To Get Underway

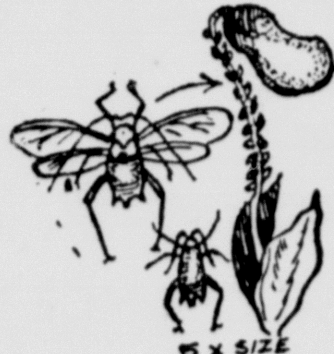

Kinds of Worms and Best Kind of Treatment Given For the Early Varieties

Cut Worm—Color: Brownish, dark colored. Curl in soil in daytime and cut off plants at base during night. Poison bait: 5 lbs. bran, 8 tablespoonful Paris green, ½ pint or about ¾ pound cheap molasses, ½ gallon water. Put out late in afternoon. Spread lightly near base of plants.

Cut worms are now underground in most gardens. They come out and feed along the surface of the ground when it is not too cold.

If poison bran is scattered on top of clean ground where tomatoes are to be planted the cut worms can be thinned out before plants are set. It is also a good idea to scatter a little around plants at the time of planting. Spread as for grasshopper poisoning.

Plant Lice—Color: Small black or green. Suck sap from bud and lower surface of leaves. Spray with nicotine sulphate 1½ teaspoonfuls, 1 cubic inch soap to 1 gallon water; or, dust with nicotine sulphate 2 tablespoonfuls to 1 quart hydrated lime; or, dust with rotenone mixture. Cover plants thoroughly with spray or dust, especially lower surfaces of leaves. Repeat application at 5-day intervals.

The above formula for nicotine dust may be stated as 1 oz. of Black Leaf-40 to ¾ pound of lime.

Plant lice and most other sucking insects can be controlled by nicotine dust if treatment is started early enough. The garden flea hoppers which are already doing some damage on mustard, radishes, etc. can also be fairly well controlled by this same dust. Dusting should be done every five or six days from now through the growing season. Dust may be applied by a regular duster or by a home made device costing only a few minutes work. One such may be seen at the County Agent's office.

Bond Sales Under Quota to Tuesday

WANTED TO SELL: \$9,588.75 of War Bonds before Saturday night! That is what it takes to put over the April quota in the sale of War Bonds.

The quota for April is \$25,000. The sales up to Tuesday night amounted to \$15,411.25.

Dogs Must Be Kept At Home

Rabies Found in Many Towns of Plains—Will Kill All Stray Dogs in Canyon

On another page in this issue of the News dog owners are being given fair warning that dogs must be kept at home. The nuisance of so many wandering dogs is not the main thing that has caused the City Commission to take steps to enforce the dog ordinance; it is that surrounding cities and towns are having epidemics of rabies. To every citizen there is a horror of children being bitten by "mad dogs." By taking every precaution that we know we will have nothing to blame ourselves for if something should happen in Canyon.

Dog lovers fail sometimes to realize that their pet may become the neighborhood pest. It is difficult to keep dogs at home, but everyone is being given warning that that is the thing that must be done for the health of the community.

Harold is on a destroyer and has been in many engagements in the Pacific.

He is visiting at the home of his mother, Mrs. H. L. Heizer.

Mrs. Overton Donnell left Tuesday for Pauls Valley, Okla., to visit with her mother, Mrs. John Roach.

What Causes Home Canned Food to Spoil

What causes home canned food to spoil?

Last year we were asked to raise a victory garden and to can all the food we did not eat. Many of us did this. In the course of the year, we found that all of the food canned did not keep. What caused the spoilage? We do not want this to happen again this year for it means a waste in time, money, and effort.

There are five possible causes of this spoilage: failure to destroy harmful micro-organisms, canning food that is not in perfect condition, failure to have equipment checked and in perfect condition, carelessness in the handling of the food and equipment, and improper storage of the canned food.

Micro-organisms, known as bacteria, yeasts, and molds, will grow and develop causing spoilage if the cans and the food are not properly sterilized and stored. Yeasts and molds are easily killed; bacteria are much more difficult to destroy. If the food contains a high percent of acid, the bacteria are more readily killed. It is the low acid food which requires a high temperature such as is obtained in the pressure cooker.

Lack of care in the selection of food to be canned often causes spoilage. The food must be per-

fect; blemishes often contains enzymes and micro-organisms which cause the spoilage. Use perfect food and fresh food: one hour from garden to can is a good rule. Sometimes we forget that canning equipment and utensils get out of order. Since this is especially true of pressure cookers, be sure to have your cooker checked each season to be sure that it is working properly. Do not use imperfect rubbers or lids. See that your jars are free from nicks; remember that not all glass jars are made to withstand great heat or pressure.

Another cause of spoilage is carelessness. We sometime get in a hurry and do not follow directions carefully in preparing the food for canning and in the canning process.

Food must be stored in a cool place if it is to keep. When kept in a warm place, the thermophilic type of bacteria develops which causes spoilage. If, in the summer, home canned food is carried around in the back of a car, or if it is stored in a very warm closet, this thermophilic type of spoilage is apt to occur.

Success in canning is not a matter of luck. It is simply a matter of knowing the proper method of canning and following these methods with care.

Buffalo Lake to Open on Sunday

Largest Lake in Northwest Texas Will Draw Big Show For Opening Event

Opening of Buffalo Lake for the 1944 season will be held Sunday.

It is expected that the attendance will equal that of last year owing to the great aerial show which will be put on with planes from the Lubbock, Pampa, Dalhart, and Childress Army Air Fields participating.

Cars will not be allowed to park on the south side of the lake as this

Members of the Gasoline Panel of OPA are wondering where the people of this section will secure their gas to burn in attending this opening. Fishing trips are banned by OPA. Conventions are out for the duration. Mothers and fathers are not allowed to drive to see their sons in service. No one is allowed extra gasoline under OPA regulations unless their business is of the most urgent nature.

Members of the Randall county board have worked diligently to enforce the rules as laid down by OPA. They have denied their friends of gasoline which they did not deem necessary. They spend day after day on the job.

But here comes a celebration on Sunday, government sponsored and approved, at which time more gasoline will be burned than the local board has been able to save for the nation since the gasoline panel was established.

I feel like resigning and giving it up as a bad deal," stated a member of the panel.

The situation is inconsistent, to say the least.

will be the bombing area. Problems have been worked out for the student pilots and maneuvers will be carried out as in actual warfare.

Flights of planes from the four fields will take place at regular intervals during the afternoon.

The Amarillo Air Field will furnish hundreds of men to assist in handling the crowd, and to set up various units of recruiting and field work. Every phase of army units will be represented. The 50-piece band from the Amarillo field will furnish music during the afternoon.

Boat races will start at noon, and will be held during the afternoon.

Recruiting booths, Red Cross units, War Bond booths will be featured during the day.

Buffalo Lake is the largest body of water in Northwest Texas, and is popular with the people of this section.

Condron Names Balance Council Committees

Dr. S. H. Condron has completed the organization of the Randall County Planning and Development Council by appointing all committees.

The three major committees as announced recently consisted of the following members:

Finance: Lee Johnson, Lee Foster, Raymond Batenhorst.

Highway and lateral roads: W. T. Oliver, Walter Graham, R. L. Yeager.

Public relations: Clarence Thompson, John McCarty, Lonnie Byars.

The six research committees are as follows:

Business: Clarence Thompson, W. R. Irwin, Lee Foster.

Education: J. B. Speer, Guy Harp, Lee Johnson.

Recreation: Andy Walsh, G. W. Cox, Alvin McDonald.

Local government: John McCarty, W. T. Oliver, Bradley Burrus.

Rural improvements: Raymond Batenhorst, Lonnie Byars, C. B. Erwin.

Agricultural development: Henry Ratjen, Walter Graham, R. L. Yeager.

The council will meet on the fourth Monday of each month at the city hall.

ATTENDED MEET

Andy Walsh and Guy Harp attended the District Convention of the American Legion at Borger Sunday. Mr. Walsh is commander of the Palo Duro Post and Mr. Harp is service officer.

The Democratic Choice

Democratic voters of Texas will meet in a few days to select delegates who shall nominate the candidates for President and Vice President. First, the voters will meet in precinct conventions to name delegates to the county conventions. County delegates will go to Austin where a slate of state delegates will be selected for the national convention in Chicago. The national convention will not be held until July, a month after the Republicans have named their candidates.

What type of delegates shall Texas Democrats select? The ardent 4th termers want a staunch 4th term group selected who have no other thought in mind than to draft Roosevelt.

The anti-administration group wants a group who will fight Roosevelt and anyone who is connected with the New Deal.

There is a middle-of-the-road group rapidly developing. This group would select a delegation composed of responsible citizens who would go to Chicago with open minds. This group wants the delegates to feel free to use their best judgment in naming candidates in the light of developments at the time of the convention. Governor Coke Stevenson indicates that he would be willing to head such a delegation. He is not willing to go as a delegate whose hands have been tied by the Texas voters two months in advance to the national convention.

The News feels that this is the only sensible manner of selecting delegates to the national convention. Here is the situation:

It is evident that Dewey will be the Republican candidate. He is in the hands of the isolationist group. Perhaps Dewey will repudiate his backers at the proper time—but chances are very much against such a thing. Dewey has never given his views on the international affairs, present or future. Under such circumstances it would be unwise to tell the Texas delegation that it should vote against the 4th term, or vote against any man or group until the voters know whether the policy of Dewey will plunge us into another war in another quarter century.

So far the President has refused to say he will be a candidate. It is assumed that this is his intention. But conditions might change in a short period of time. The war could definitely change the national and international picture between the time of the Texas state convention in May and the national convention in July. Political observers in the East believe that the President's health will forestall his demand for a 4th term, regardless of his ambitions. If the Texas delegation is composed of straight 4th term advocates and the President steps aside at the last minute, will the Texas voters be willing to accept just any other New Dealer who may stampede the convention.

We believe that fair minded, liberal, patriotic citizens of Texas should be entrusted with the responsibility of representing the party at Chicago. Unless this is done, it is just as well to mail a postcard to the convention with a proxy authorizing the holder to vote one way or the other, regardless. The railroads and hotels would be glad to substitute the postcard for the large group of delegates who will jam overburdened traffic.

The most southern city on the mainland of the United States is Miami, Florida.

We hear that the scarcity of booze is causing all of the drunkenness which prevails in the nation today. We doubt this. The war has created considerable unbalanced prosperity. This prosperity has fallen into the hands of millions of people who are unaccustomed to such prosperity. Many of them seem to think that their prosperity will go on forever. They forget the depression which always follows war, and are therefore spending their money foolishly and freely. Booze is one of the easy means of getting rid of money in a hurry. Those who are throwing their money to the wind these days should remember the dreary days of the early thirties. They should be putting away a liberal part of their funds in anticipation of the worst depression this nation has ever seen. The world has never seen such destruction of property and materials as continues in this war. The debts of the war must be paid, and it will take money, sweat, blood and tears to perform this task.

The trouble with OPA is that it sets itself up as prosecutor and sole judge. The accused has no chance for appeal when unjust verdicts are reached. The meanest criminal in the land is protected in the courts. Congress never intended that such high-handed tactics be used in any department as exercised by some OPA officials. No one questions that OPA has done some mighty good work, or that there are some crooked dealings in rationing and black markets. But OPA was never established for the purpose of prosecuting criminals who existed only in the minds of those who do the investigating. With all of the complex rules, regulations and ambiguous statements being issued by the various alphabetical agencies all of us would be in jail, through pure ignorance, if a careful crackdown was made on every individual who unwittingly breaks some of these numerous regulations.

What about "flaming youth"? We hear so much about the way youth of today is going to hell. Wonder if this youth problem is not attributable to the example being set by the elders who are doing their share of leading youth from the straight and narrow. The kids of today know a lot more than the kids of yesterday, due to the progress being made by the world. Maybe there is considerable resentment on the part of the older people that youth is making more progress than they were able to make as kids; and perhaps getting into more cussedness than their elders.

Since this is political year, you are going to hear a lot of irresponsible statements from candidates on old age assistance. Those who receive this assistance, or hope to receive it, should not become over-enthusiastic over the political promises which will be made. Look the candidates over and select those with the greatest ability instead of the one with the most glowing promises—which they know, and you know, will never be materialized.

The return of football to West Texas State is being hailed among sport fans. No one knows what kind of a team may be developed, but every college is laboring under the same difficulties. Folks at home have very little opportunity to get away from the daily grind and enjoy sports. The return of football will meet a genuine community and institutional need. Here's lots of good luck to the coaches and players of the 1944 squad.

Senator W. Lee O'Daniel says that he will vote against the 4th term regardless of who is running on the Republican ticket. The Senator resents the brass-hat attitude of Texas Democrats, who elected him to office, but is willing to support the brass-hat Republican who is under the domination of the isolationists. Quite logical.

We feel better about the invasion prospects. General Patton has joined Eisenhower in England. Patton is the man who put over the push which ran the Germans out of Africa and Sicily. CANYON TAILORING CO.

On May 24, 1919, several hundred men met in the Fort Worth Chamber of Commerce—and that was the birth of the Texas Mid-Continent Oil & Gas Association, which can now look back on 25 years filled with marvelous achievement for the Texas oil industry.

1919! Woodrow Wilson was President of the United States and was campaigning for the League of Nations. It was Babe Ruth's first year as home run king and he set a record by knocking 29 over the fence. Jack Dempsey kayoed huge Jess Willard for the world's heavyweight championship under the broiling Fourth of July sun at Toledo.

Newspaper readers thought "Mutt and Jeff" funny. Irvin Cobb, who died just the other day, was writing short stories for the Saturday Evening Post. Alcock and Brown flew non-stop from Newfoundland to Ireland. Women had not yet begun to bob their hair and they were about to receive the right to vote.

Radio had not arrived and talkies were many years away. Folks were whistling or humming "Dardanella" and "Hindustan." Douglas Fairbanks, Mary Pickford, Harold Lloyd (with his glasses) and Theda Bara, the "vamp," were stars of the screen. Wartime prohibition was still in effect and the Eighteenth Amendment was at hand. Men were wearing those stiff, detachable collars. (Remember the collar ads in the street cars?)

What changes a quarter of a century has brought—and nothing in all the story is as remarkable as the progress which the Texas oil industry has made.

For in those days, there were only 7,100 wells in 29 counties; now, there are over 100,000 oil and gas wells in 173 counties—and there are drilling or leasing activities in all the other counties in the state.

At that time, the deepest production was less than 4,000 feet; now the average depth is 5,300 feet and at present, a well is drilling below 15,000 feet—almost three miles beneath the surface of the earth!

The production of oil in Texas the year before the organization meeting was 39,000,000 barrels; last

year, the out put was 600,000,000 barrels.

Legend says that the meeting was called by promoters for the furtherance of their own gaudy and irresponsible activities but, whether true or not, real oil men took the session over.

Veterans of the petroleum industry will find much to reminisce over—as well as vital war-time problems to grapple with—when the Texas Mid-Continent Oil & Gas Association holds its Silver Anniversary convention in Houston, Oct. 12-13.

Warning To Dog Owners

Due to the fact that the City Commission is getting a great many complaints about the large number of Stray Dogs within the City, which is a nuisance to the citizens and a constant potential source of a serious epidemic of rabies which is prevalent in some of the Cities in this part of the State, which has been the cause of the loss of valuable time and many instances even of life.

Therefore, the City Ordinance No. 94 prohibiting dogs from running at large within the city limits of Canyon will be enforced as a measure of safety to the citizenship.

We respectfully ask your cooperation in this matter. After May 1, 1944, all dogs running loose will be impounded by the City Police Force for three days and then killed.

CITY COMMISSION

CARD OF THANKS

We wish to express our thanks and appreciation for the sympathy and help extended us through the shadowed hours of sickness and death of our beloved husband, father, grandfather and brother, S. J. Burrus. May God bless each one of you.

Mrs. S. J. Burrus, Mr. and Mrs. H. W. Burrus and family, Mr. and Mrs. B. A. Burrus and family, Mr. and Mrs. R. A. Burrus and family, Mr. and Mrs. Tony Burrus and family, Mr. and Mrs. E. J. Burrus and family, Mr. and Mrs. Glen Settle.

Mr. and Mrs. Ray Metcalf and family, Mr. and Mrs. Herschel Burrus and family, Lt. and Mrs. Glenn Burrus, Mr. and Mrs. J. B. Hager and son, Mr. and Mrs. John Burrus and family.

GUNNER

"So your husband's in the Army now, Mrs. Worritt?"

"Yes, they've made him a gunner, an' that's what he's been ever since I married him! Ever since I knew him he's been 'gunner do this' and 'gunner to that' but he never did anything worth while!"

Region One Meet Held In Canyon

Amarillo Took First With 24-Point Lead Over Lubbock Second Team

Returning from Interscholastic League Region One meet held in Canyon at West Texas State College, Saturday, April 22, Amarillo High School contestants in the literary division were victors in the 70-school competition with a 24-point lead over the next school team, from Lubbock.

Amarillo won first place in both boys' and girls' senior declamation, girls' extemporaneous speaking, one-act plays, and number sense. Second places awarded the AHS delegation went to boys' and girls' debate teams, slide rule contestants and ready-writing. All first placers are eligible to attend state meet at Austin on May 4 and 5.

Amarillo was first in the total points scored, running up a total of 134 points in athletic and literary events, and Lubbock was second with 110 points.

Literary Events

Jerry Eriscoe and Christie Dougherty, senior declaimers, took first place in their respective classes, with Jack Reese of Lubbock and Betty Pace of Lamesa winning second honors. Jerry gave "Opportunity," by W. J. Cameron, and Christie won her very close contest with "Lidice," by Wendell L. Willkie.

Tynette Wilson was Amarillo's first-placing extemporaneous speaker, and La Nora Joe Woodward of Seminole took second. Boys' extemporaneous speech first place went to Sandy Oliver of Canyon.

Dramatic students from Amarillo who took blue ribbons for their stage work in the one-act play contest include Bobby Lynn Johnson, Yvonne Scott, Helen Rippey, Shirley Jackson, Gertrude Gowdy, and Wayne Dollar, with Jean Laseter as student director. Lamesa was second.

Mathematics

Unopposed in the number sense contest in mathematics, Wayne Daniel and Eldon Durrett automatically won first place, but Lubbock's slide rule team out-placed Amarillo's Dale Wright, John Hill and Edward Cheadle, who were in second place. Sam Henry, Zackie Reynolds, and Don Holt operated the mathematics slide rules for Lubbock.

Debate

In debate, Lubbock's boys and girls made a clean sweep, taking both ribbons in the final debate with Amarillo. Bill Masters and James Bowman of Lubbock out-debated Eddy Dickeson and Morris Cobb from Amarillo, and the Lubbock girls, Irene Crim and Jacquelyn Reynolds, beat Irene Nix and Mary Lou Streuber from AHS. Bill Masters, Lubbock's first

string debater, also won the ready-writing essay contest; Tim Miller of Amarillo placing second.

Typing and Shorthand

Winners in the typing contest were: Willa Jean McCoy, Amarillo, first; Mary Lois Findley, Lubbock, second; LeRoy Carver, Amarillo, third; Helen Fink, Amarillo, fourth, and Billie Van Hilton, Dalhart, fifth.

In the shorthand competition, Pat Lumpkin of Amarillo was first; Patricia Groves, Lubbock, second; Tynette Wilson, Amarillo, third; Yvonne Middleton, Lamesa, fourth; and Margie Jean Randall, Amarillo, fifth.

Athletics

Boys participating in the athletic events found themselves unfortunate when the arms of heaven opened out and poured fourth rain and hail, but after the short thunder storm, the contest went on. Lubbock proved to be the most outstanding team in the athletic contest as their team had a total of 41 points, Pampa had 25 points, and Amarillo was last with 24 points.

In the 120 yard high hurdles, Gene Robbins, from Pampa won first; Ray Grimes, Lubbock, second; Hopkins, Canadian, third; and Roady, Andrews, fourth.

Winners in their respective order, for the 100 yard dash are Martin, Lubbock, McGee, Amarillo, Latson, Amarillo, and Hauley, Panhandle.

In the 440 yard dash, winners were Moore, Lubbock, Wilson, Panhandle, Harrison, Denver City, and Essary, Amarillo.

In the 200 yard low hurdles, Gene Robbins, Pampa took first, Roady, Andrews, second, Franks, Olton, third, and Bowles, Lubbock, fourth.

Amarillo won first in the 440 yard relay, Lubbock second, Panhandle, third, and Levelland fourth. Lowry of Lubbock won first in the 880 yard dash. Garner, Groom, second, Butler, Lubbock third, and Franklin, Panhandle, fourth.

In the 220 yard dash, Moore of Lubbock won first, Martin, Lubbock second, Essary, Amarillo third, and Latson, Amarillo fourth.

In the 1 mile run winners were Campbell, Pampa, Hawkins, Lamesa, Helm, Groom, and Sutton, Panhandle.

In the 1 mile relay, winners were Panhandle, Amarillo, Sparenberg, and Lubbock. Pole vault winners were Davis, Lubbock, Tate, Pampa, Tyler, Claude, and Dyke, Lubbock.

Running high jump winners were Bagwell, Claude, Tyler, Claude, South Canadian, and Tutch, Dickens.

Twelve-pound shot put winners were Riley, Wheeler, Kitchens, Childress, Murphy, Levelland, and Mixon Amarillo.

Running broad jump winners were Johnson, Wheeler, Robbins, Pampa, McGee, Amarillo, and McGinley, Amarillo.

Discus throw winners were Clay, Pampa, Cope, Lubbock, Burns, Dumas, and Reynolds, Amarillo.

Rotary Delegates Make Report From Lubbock Convention

J. B. Speer, Geo. A. Farlow, Lee Johnson and Dr. Harris M. Cook reported Tuesday at the Rotary luncheon on their trip to the District Convention held in Lubbock Sunday and Monday.

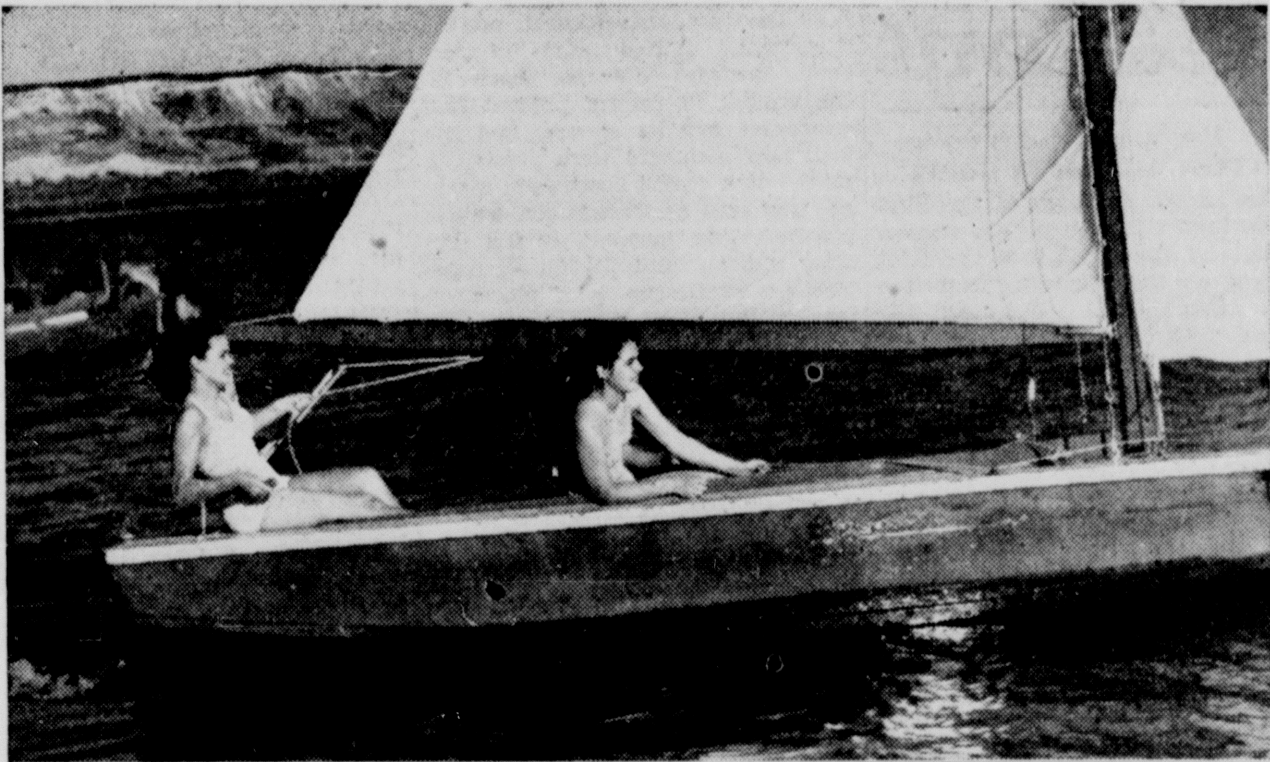

A total of 616 were registered, being 200 more than expected. Of the 59 clubs of the district, 55 were represented.

All of the delegates stated that the local publication, The Canyon Rim, was highly praised as a club publication, and thanked Dr. Roy Johnson for the excellent services given.

The highlight of the convention so far as the Canyon delegation was concerned was the election of Harris M. Cook as District Governor for the coming year. Dr. Cook will be the first member of the Canyon Rotary Club to be elected to this post of responsibility. The local club was organized in 1928 and now has a membership of 45.

Visitors were: Harry M. Bainer,

Social Events of the Week Clubs and Organizations

CANYON COUPLE WED IN FLAGSTAFF, ARIZ.

In a twilight ceremony performed at Flagstaff, Arizona, Friday evening, April 14, Mrs. Arline Rose Ogden became the bride of John C. Schramm. The only witnesses were Mrs. Earl Crist of Flagstaff, sister of the bridegroom, and Miss Polly Wright of Amarillo, a house guest of Mrs. Crist.

The bride wore a beautifully tailored dressmaker suit of navy blue with navy and white accessories. Her corsage was of gardenias.

Mrs. Schramm is the daughter of Mr. and Mrs. W. G. Rose of the Palo Duro Community. She is a graduate of West Texas State College and has been teaching in Flagstaff during the past two years.

Mr. Schramm is well known in Canyon where he was in business before being inducted into the Army in August, 1942. He became associated with the Navaho Ordnance Plant at Flagstaff following his discharge from the service the following year.

A beautiful wedding cake with all

the customary tokens was featured at the reception in the home of Mrs. Crist.

Following a week-end trip to Prescott, the couple returned to Flagstaff where they are at home to their friends at 21 Columbus.

MISS BLACK HOSTESS TO PRESBYTERIAN GUILD

Tuesday of last week the Presbyterian Guild met in the home of Miss Pearl Black. Mrs. J. D. Barker and Mrs. R. P. Jarrett, Jr., had charge of the program "The World Mission of the Church and the Peace to Come."

A social hour followed the program. Those present were: Mrs. J. D. Barker, Mrs. R. P. Jarrett, Jr., Mrs. Robert Jones, Mrs. C. L. Thompson, Mrs. A. B. Haynes, Jr., Mrs. Robert Black, Mrs. I. P. So-Relle, Mrs. H. A. Brown, Mrs. R. A. Neblett, Mrs. Cecil Briggs, Mrs. Newton Harrell and Mrs. Paul Neill.

Mrs. J. W. Witt, Amarillo, visited her sister, Mrs. J. B. Combs, over the week end.

HOW THE BIBLE CAME TO BE WRITTEN AUXILIARY TOPIC

The Ladies Auxiliary of the First Presbyterian Church met in regular session on April 11 to hear the chief subject on the program, "How the Bible Came to Be Written," discussed. After absorbing herself of the assumption of being equal to discuss the subject, Mrs. Harrell entered into the subject with comprehensive statements, using passages of scripture as proof of the divine origin of the Bible. The point on which her entire talk rested was that the Bible being an inspired book has withstood the test of time, changes, and translations; otherwise it would not have withstood the attacks of the ages.

Mrs. Cleavinger gave the missionary situation in Columbia and Chile. The industrial and economic changes and advancements in both countries favored a forward movement in the work. The International highway to Chile is the means of easier access to the missionary fields and the missionaries like to speak of the highway as the Spiritual Highway because of what it means to the cause.

Mrs. J. R. Sharp plead divine blessing on the missionary cause of the world.

WESLEYAN SERVICE GUILD MEETS TUESDAY EVENING

The Wesleyan Service Guild met Tuesday night in the usual meeting at 8 o'clock in the parlor of the Methodist Church.

Mrs. Jimmie Holston, president, was in charge of the service which opened by the group singing "Jesus Call Us." Miss Birdie Cleo Crabtree led the devotional from the 5th chapter of Matthew.

Mrs. Holston directed the meeting on the study plan for the Guild and all business matters were discussed.

Those attending were Mrs. Jimmie Holston, Mrs. Bill Mack Gibson, Mrs. R. K. Schramm, Mrs. Lavert Ament, Jr., Mrs. E. M. Myers, Mrs. Walter Sanford, Mrs. James R. Morgan, Mrs. Robert Orton, Miss Birdie Cleo Crabtree, Mrs. Ruth Hill, Mrs. C. C. Armstrong and Mrs. C. A. Murray.

The next meeting will be a covered dish dinner in the home of Mrs. K. R. Schramm at 7:30, May 2.

Miss Mary Moss Richardson will direct the study of the Bible on the first five chapters of the book of St. Matthew. All members are urged to be there.

MRS. WALKER ENTERTAINS BUSINESS WOMEN'S CLUB

Mrs. J. J. Walker was hostess to the Business Women's Club Wednesday evening, April 19. Beautiful red roses decorated the entertainment rooms.

COMBINED FOOD BOARD REPORTS

Thanks to the food supplies the United Kingdom has received from the United States and Canada, the diet available to her people is now barely adequate, although Americans and Canadians fare somewhat better, according to the report issued Monday of this week by the Combined Food Board of these countries. While the pre-war diets of the three countries were similar, the United Kingdom has been compelled during wartime to turn more to grains and vegetables for her protein and fats, while the United States and Canada have fared better than the United Kingdom in animal fats and fruits. The Combined Food Board, set up in 1942 to achieve maximum utilization of the food resources of the United States, Canada and the United Kingdom, includes a member from each of these three countries. The report just issued is the most complete comparison yet made of civilian food supplies in these countries.

MOTORISTS KEEP TIRE RECORDS

Tire inspection records must still be presented to ration boards whenever application is made for gasoline or tire rations, the Office of Price Administration said in explaining the need for saving the tire record form. The tire record must be kept with the automobile and transferred with the car if sold. Operators of trucks, buses, taxicabs and other types of commercial motor vehicles are still required to have their tires inspected periodically, although passenger car tire inspections are no longer required.

TIRES FOR SMALL TRUCKS

Small trucks delivering essential foods, laundry, drugs and medicinal supplies and dry-cleaning apparel, and trucks operated by medical or dental laboratories will be able to obtain new truck tires of eight or less ply and all sizes of new passenger tires, OPA announced. Delivery trucks for beverages, ice cream, retail stores, confections and

tobacco products, heretofore ineligible for any tires, will now be able to get used passenger tires, used truck tires smaller than 7.50-20 and obsolete sizes of new passenger tires.

COUNTERFEIT-STOLEN GAS COUPONS

More than 90 per cent of American motorists have endorsed their gasoline coupons, OPA said in reporting the progress made in stamping out counterfeit and stolen gas coupons. Since January first, 926 counterfeiters, peddlers and persons who had robbed local boards were arrested, and 611 motorists who bought gasoline illegally lost their rations. Also, 20,061 filling stations had to turn in valid coupons to make good the illegal sale of more than four million gallons of gasoline, and 1,140 other stations were denied the right to buy or sell gasoline for periods varying up to the duration of the war.

FARM FILM FOR LOCAL GROUPS

A two-reel technicolor and sound film, "Farm Garden," produced by the U. S. Department of Agriculture, is available for local groups and organizations interested in the fundamentals of farm and city gardening. The 20-minute film depicts planning, planting, cultivating and harvesting, and the control of garden pests and diseases. Persons interested may write the OWI Bureau of Motion Pictures, 1400 Pennsylvania Ave. N. W., Washington 25, D. C., or their State Extension Service, for the name of a local distributor from whom they may get the film.

TO TRAIN MEN FOR SEA DUTY

Men 26 years of age and over are needed especially during the next 10 weeks to be trained for service aboard merchant vessels, the War Shipping Administration announced. Physically fit, honorably discharged veterans and men classified 4-F or 1-C, 17½ years of age and over, will be accepted for training. Men with previous sea experience may apply for refresher courses, upgrade training or officer-candidate courses. Applicants may register at maritime service enrolling offices in major cities or inquire directly of the U. S. Maritime Service, War Shipping

Administration, Washington 25, D. C.

ROUND-UP

WPB says—many electrical and mechanical repair shops are not taking advantage of a WPB regulation to aid them in obtaining parts and materials for domestic appliances such as refrigerators, washing machines, radios, clocks, sewing machines, stoves, bicycles, lawn mowers and plumbing. . . . At present, there is no visible possibility of resumption of passenger car production until after the victory over either Germany or Japan. . . . Because of the limited supply of household "fly" spray guns, housewives should take extraordinary care of the ones they now have.

OPA says—even though lard, shortening, and salad cooking oils have been made point free, retail meat dealers will still pay two red points and four cents per pound for all kitchen fats turned in. . . . Service men on furlough will receive sugar rations in units of one pound of sugar for each 36 meals or less that they eat at home, instead of one quarter of a pound for each nine meals. . . . About 40,000 hand-wound surplus portable phonographs to be sold by the Government have been given specific maximum prices of \$14.25 for model No. 64 special (with Swiss motor) and \$12.75 for rebuilt model R (rebuilt with American motor). . . . Used and new typewriters in the hands of dealers are no longer rationed.

Casualties of the U. S. Armed Forces from the outbreak of the war as reported by OWI April 20 were 189,309, including 43,808 dead, 70,948 wounded, 41,330 missing and 33,223 prisoners of war. . . . Consumers who buy Midwestern-produced coals now, while mines can supply it, will be able to get enough fuel to meet their requirements next winter, the Solid Fuels Administrator said. . . . WFA and WPB have indicated the desirability of using surplus potatoes in the production of ethyl alcohol, which is now used in producing synthetic rubber.

Canyon High School Sends Various Regional Entries

With three opponents from the large area including the Panhandle, Sandy Oliver, entry in Boys' Extemporaneous Speaking, took the only first place honor for Canyon High School in the Regional contests held under the auspices of West Texas State College Saturday, April 22. This honor entitles Sandy to attend the state meeting in Austin.

Helen Jo Cox, entry in Senior Girls' Declamation, placed third in her field.

Other entries who placed first and second in Conference 1-A competition and entered Regional were: Mollie Nann Ziegler, ready-writing; Juanita Anderson and Joyce Crowley, shorthand; Margaret Lair, Girls' Extemporaneous Speaking; and Ellen Sanders, typing.

Canyon High School sent no track entries.

Taking first place in the entire meet was Lubbock, closely followed by Amarillo.

Considering gas rationing and war conditions, this meeting was exceptionally well attended by all schools.

BEYOND THE CALL OF DUTY

Many of the youths in America today have marched away to war and are now fighting side by side with their Allies. Several have died for the things they hold dear; some have been wounded because they were brave and daring. But each man, regardless of what branch of service, has given up something—his very breath of life, an arm, freedom in exchange for imprisonment, or his home in answer to the call of duty.

After December 7, 1941, many lads of this country said goodbye to dear ones and sped away to a different world with no doubt in their minds that the people back home would do their parts too. Have we let our boys down?

These fighting men of today are answering the Japanese enemy after the shock of Pearl Harbor. Many have gone BEYOND THE CALL OF DUTY in order that we may live. What are we doing to repay them?

Could you look into the eyes of a wounded man or stand by the cross of an American boy's grave and say, "I am doing my bit—all I can. I did not let you down. I too, am going BEYOND THE CALL OF DUTY!"

Watch where you place your confidence or you may lose it all.

Sophomores Hold Semester Party

Members of the sophomore class held their first party of the semester in the high school gymnasium. The party began at 8:30 and terminated at approximately 10:30 on Friday, April 21.

Students participated in various games which consisted of: a spelling match, Three Deep, Cross Questions and Crooked Answers, a game of stunts, and the completion of some proverbs.

Refreshments of punch and cookies were served to the group by Mrs. Walter Graham, room-mother.

Jackie: Daddy, you said a lot of successful candidates would be eating political pie. What is political pie?

Dad: Well, son, it's composed of applause and plums.

Since final exams, graduation exercises, banquets, and the end of school in general are just around the corner, "The Eagle's Tale" staff is making this edition its final one for 1943-44. As in past school years, intensive work will begin on both the editorial and financial ends of a special edition which will be off the press May 25, a culmination of the year's activities.

Each member of the journalistic class wishes to express his pleasure at having been able to serve the student body and faculty through weekly reporting the happenings of our school, and sincerely hopes that you as its readers have enjoyed the efforts of the press club as much as did the journalists who shared in the publication.

Confidence must be hard won. Easy confidence, like easy money, is easily lost.

Files Reveal Life Story

President Makes Official Journey

As president of Area I, Future Home Makers of Texas, Billy Jane Bonifield attended the state executive meet at Austin Friday, April 21. Also attending the meeting were Miss Ruth Ford, Supervisor of Home Economics Practice Teaching at West Texas State College, and Wilma Jean Miller, sophomore at W. T. High School who went as a delegate for a state office.

The group reached Austin Thursday night and attended the meeting Friday which was held in the Sun Room of the Stephen F. Austin Hotel. State officers were selected for the following year, and plans were discussed for the summer camp which is to be held in August at Kerrville, Texas for the old and new area and state officers.

Saturday the group visited various spots of interest in the city of Austin. Among these were the State Capitol Building, the University of Texas, O. Henry's home, Charter Oak, Barton Springs, and the various state hospitals.

Amazed and pleased at the profusion of flowers in bloom, the extremely warm weather, and the general appearance of late spring, the trio re-entered West Texas reluctantly.

Commenting on her short voyage, Billy Jane said, "My trip was very eventful and exciting, one I should like to repeat."

"Every time I kiss you, it makes me a better man."
"Well, you don't have to try to get to heaven in one evening."

Being of patriotic minds just now, our thoughts turn back to the "Father" of our Country. While looking through the ancient files of "The Eagle's Tale," we ran across this brilliant (?) essay of old.

He was born in a log cabin as most great men are. The cabin was in Kentucky, so he was born in a log cabin in Kentucky. When he found that he could not get out of his crib, he cried, "Give me liberty or give me a lollipop." His father gave him an axe with which he cut down the old pine tree, when he was very young. When asked who committed the crime, he replied, "Father dear, I cannot tell a lie, I cut down the old pine tree."

Hero Meets Widow

One day while he was out riding in his Rolloed Rice car, commonly known as a hoss'n buggy, he met a beautiful widow, named Martha, whose mother called her May for short. She told him to "Come up and see me some time, anytime." When Martha found out who he was she casually remarked, "Hey, Hey! How'm I doin' honey?"

"They had the wedding in 'Just a Shanty in Old Shanty Town' "Way Down upon the Swanee River." "Old Black Joe" officiated at the ceremony, and "Sweet Adeline," sang "Who's Afraid of the Big Bad Wolf?" They then sailed "Up the River of Golden Dreams, on a Chinese Honeymoon."

So they lived at Mt. Vernon in domestic tranquility. On the side-line he was president for two terms. His "Friends, Romans, Countrymen" called him the father of his country, so all his children were brothers and sisters to Uncle Sam.

Returns to Plantation

After he quit being president, he went back to his farm to do some plantationsing, I mean he went back

Juniors Complete Banquet Activity

Junior class members are nearing completion of their plans for the annual Junior-Senior Banquet to be held May 5. To serve as committee chairmen the following have been appointed by Mrs. Sanders, sponsor. Food and decorations chairman is Vergie Haines. Margaret Lair is chairman of the program committee. To select and mail invitations, Ellen Sanders was appointed. J. Spencer Winn is chairman of ballroom decorations, and Sue Ann Moreman is in charge of flowers.

Tentative plans are that the dinner and dance will be held at Cousins Hall. Dinner will be served, and then following the customary procedure, a short program will be given. Dancing will follow in Cousins Hall ballroom. Activity begins at seven o'clock.

Sophs Lead Program

Although nothing has been definitely decided about spring basketball training, Coach Sanders says, "There will be nothing stirring until after the Band Clinic to be held at Hereford on May 4."

"Four-Fingers" Bosley has decided that the second period gym class baseball teams haven't fallen for his left-hand pitch. Proof of this is the fact that Monday the score was 26 to 6 in favor of the other team.

Many of the former basketball players are sticking together during the summer vacation. J. Spencer Winn, Eddie Standley, and "Horse" Taylor are all working on Winn's farm this summer. Harley Hicks and Tommy Thompson are both working in the Thompson Hardware Implement Department.

Various forms of recreation at the noon hour have been observed in the form of two small cubes and oblong objects that come in decks. Although no money has been exchanged the spirit still lives on.

Congratulations to the boys who lettered in track. Anybody who placed in the District Track Meet was eligible for a letter. Most of the boys who lettered in track were letter men in basketball.

SCREWBALL

Each of two screwball cavalry rookies was given a horse.

"How are we going to tell them apart?" asked one.

"I'll cut off my horse's mane," suggested the second. So they trimmed one horse's mane but it soon grew out again. The first screwball then cropped his horse's tail but it, too, soon grew out.

"Let's measure the horses," suggested the first screwball. Sure enough, it worked. The white horse was two inches taller than the black horse.

A school teacher asked the pupils to write a short essay and to choose their own subjects.

A little girl sent in the following paper:

"My subject is 'ants.' Ants is two kinds, insects and lady uncles. 'Sometimes they live in holes and sometimes they crawl into sugar bowls, and sometimes they live with their married sisters.'"

Many a man has been taken to a cleaning with a little soft soap.

Prexy Announces Western Show

Regional Entries Practice Extemporaneous Talks

Students of Canyon High School assembled for a program which was presented by the sophomore class last Friday morning.

In honor of the anniversary of the Battle of San Jacinto, the sophomore class, dressed as cowboys and cowgirls around a camp fire, led the assembly in five well known Texas songs. "Beautiful Texas," "Texas, Our Texas," "The Eyes of Texas," "Deep in the Heart of Texas," and "Home on the Range" made up the group.

A quartet composed of Kathleen Hillier, Bonnie Drake, Cheri Kilchrist, and Billie Jo Wallen sang two songs, "Have You Ever Been to Texas in the Spring" and "Blue Bonnet Time."

McDonald Presides

With a pipe in his mouth an an extreme Western drawl, Ray McDonald, president of the sophomore class, announced the program.

Before and after the singing, declaimer Helen Jo Cox and extemporaneous speakers Sandy Oliver and Margaret Lair, who entered the regional meet Saturday, gave their speeches to the student body for practice.

In the absence of Billy Jane Bonifield and Margaret Prichard, president and vice-president of the Student Congress, respectively, Supt. J. B. Speer led the group in the Pledge of Allegiance, and Margaret Lair made an announcement of the deadline for pictures of Junior Who's Who members. Other entrants in the regional meet and the outcome of the District 1-A Meet were also announced.

Miss Dorinda Bond, former sponsor of The Eagle's Tale, and present advisor to the staff of The Sandstorm; will address the Inter-scholastic League Press Conference members at their annual convention in Austin, May 4. Her subject will be: "Difficulties Press Clubs Encounter in War Times."

MORE WAR BONDS MEAN FEWER GOLD STARS

Every morning as we come to work, and often during the day, that shiny gold star in our neighbor's service flag hits us "right between the eyes." Maybe we'll get used to it, but it's doubtful. As we look at it, we see more than a gold star—we see the face of our neighborhood boy, killed in the crash of his plane.

Yes, that star-decked emblem means a lot of things. It's a glorious poem when read in the language of service. It's a breathing symbol when read in terms of hopes and fears. We can't help but wonder whether another of "our boys" now reported "missing in action" will, when the final news comes in, mean another gold star in our neighborhood.

All these things we wonder. And we also ask ourselves: "What can we here at home do? How can we help our men—and keep the stars blue."

Well, there's one thing we all can do. We can buy more War Bonds. We can speed final Victory—and bring our loved ones back home again.

Sure, we're all paying heavy taxes and most of us are putting 10% or 15% of our pay into War Bonds regularly. But—that isn't enough. We should all buy at least one extra Bond—and as many more as we possibly can.

The gold in our neighbor's star means a human life. The "money gold" you are asked to put in War Bonds is only "cheap stuff" measured in comparison. But your money is needed badly. The more dollars we put in War Bonds, the fewer gold stars there will be in service flags over America.

New Book Has Been Published

Dr. Hill and Dr. Anderson Joint Authors of New History of U. S.

"My Country and Yours," a new history of the United States, has just been published by The Steck Company, Austin.

Dr. Hattie M. Anderson and Dr. J. A. Hill are joint authors of the book, the preface of which says, "The object of this book is the making of better Americans. . . . Our young citizens need to understand now, as never before, the principles upon which the United States of America is founded. They need to feel . . . their obligations to those who have gone before and their own duty to defend and promote the American way of life."

The materials of the book are arranged in twelve units, and abundant reference and suggestions are included in connection with each unit. There are eighteen clear, attractive maps. There are many illustrations in color; these are full of action and will be very attractive to young readers. The print is large and can be easily read. The language of the book has been carefully chosen, so that it comes within the vocabulary range of the boys and girls who will use it.

Although designed as a text book, "My Country and Yours" could well have a place on the reading shelf of any boy or girl, and it would be enjoyed by a great many adults.

This is the second history of the United States of which President Hill has been joint author. Dr. Anderson has taught American history on all levels and teaches the methods courses in the subject. She is also on the editorial board of the journal, "The Social Sciences."

Col. McDonald Home on Leave From North Africa

Lt. Col. T. H. McDonald, who was wounded at Salerno, and is wearing the Silver Star and Purple Heart, is spending a few days in Amarillo on leave from an Army hospital.

Colonel McDonald was assistant principal of Amarillo High School and ROTC instructor before he entered service with the 36th Division in 1940. He was featured in a story by Life Correspondent Jack Belden at the famed 36th Division landing at Salerno when the writer was wounded. He landed in North Africa in April of 1943 and went into combat action almost immediately.

Colonel McDonald was president of his class in 1926 when he attended W. T. He was wounded at Salerno last September and was sent to the Ashford General Hospital at Sulphur Springs, W. Va.

Mr. and Mrs. Carl Fuqua had dinner at the Debenport home in Amarillo last Wednesday evening.

Sunday School Campaign At Baptist Church

Supt. Virgil Henson will direct a campaign of study and enlargement at the First Baptist Church in Canyon next week. All workers interested in a study of Sunday School work are invited to meet each night at 7:30 for two classes to be taught by Miss Florence McMurtry and Mrs. W. H. Harden. Miss McMurtry will teach a book entitled "When Do Teachers Teach?" and Mrs. Harden will teach a Bible study book entitled "From Pentecost to Patmos." This book deals especially with the life and work of Apostle Paul and is closely connected with the current Sunday School lessons. Mr. Henson will direct a conference and demonstration period each night for the benefit of improved work in Sunday classes.

Purr-r-r-s just like Daddy's Car

A sweet-running motor doesn't just happen, especially in a car that is three or more years old. It is the result of the owner's good driving habits; of regular service, and the use of a quality lubricant.

These facts are so clear, so well understood by most motorists, that it is practically a proverb that "good oil is cheaper than repairs." Today, with both practical and patriotic reasons for prolonging the life of every automobile, no sane car owner will risk using anything but high quality motor oil.

That is why his most frequent question is: How can I judge quality? How can I be sure? The answer is easy: Phillips tells you simply and frankly that if you want our best oil, we specify that Phillips 66 Motor Oil is our finest quality . . . the highest grade and greatest value . . . among all the oils we offer to average motorists!

These are days when cars must last. Hence experts now recommend changing oil every two months. Do the wise thing, do the safe thing, by asking for Phillips 66 Motor Oil when draining winter-worn lubricant or making regular changes.

Stretch Your Meat

Below are recipes for two main dishes calling for a small amount of meat, yet these dishes are very tasty.

Cabbage Rolls

1/2 pound ground beef
8 large cabbage leaves
1/2 cup cooked rice
1 egg
1/2 cup milk
1 teaspoon salt
1/4 teaspoon pepper
2 tablespoons chopped onion
2 tablespoons fat
1/2 cup cooked tomatoes
1/4 cup chopped onion
1 bay leaf (if desired)
4 whole cloves (if desired)
Parboil cabbage leaves 5 minutes.

Combine beef, rice, egg, milk, seasoning, and onion. Place spoonful of meat mixture in each leaf and fold to cover meat. Fasten with toothpick. Brown in fat in large skillet. Add tomatoes, 1/4 cup onion, bay leaf, cloves. Cover and simmer 45 minutes. Four servings.

Rabbit Frankfurts

1 cup grated cheese (1/4 pound)
1/4 cup evaporated milk
1 teaspoon Worcestershire sauce
4 frankfurts
4 slices buttered toast
Combine cheese and milk. Stir and cook slowly until cheese is melted. Add sliced frankfurts and seasonings. Serve on toast. Four servings. To vary, serve on broiled thick onion slices in place of toast.

Gardening for Victory

along the Santa Fe

Soon travelers will be seeing plots of beets, beans, tomatoes, corn and other needed vegetables "coming along" on both sides of our tracks.

For once again Santa Fe has made its right-of-way available to its employees for Victory Garden space.

This railroad is heart and soul behind America's Victory Garden project. Not only has land been made available, but we are offering \$2000 in War Bonds to our best Victory Gardeners as an added incentive toward helping "Food Fight for Freedom."

Located as we are "Along the Route to Tokyo," Santa Fe people throughout our 13,148 miles of track can "feel" this war. They are working full hours to move along the never-ending loads of guns, tanks, men and munitions.

Perhaps that's another reason why they're not only working harder on their railroad jobs, but are pretty fine War Bond buyers and Victory Gardeners as well.

It's Santa Fe all the way for the U. S. A.!

Wayside Items

Rev. Jack Reeves filled his regular appointment Sunday.

Mr. and Mrs. Troy Womble of Hereford attended the funeral of her cousin, Mrs. Ida Sluder.

Mrs. Mattie Wesley is visiting relatives in the Wayside community.

Marshall Butler and family of Bard, N. M., attended the funeral of his aunt, Mrs. Ida Sluder.

We are having lots of cool weather with ice Sunday night. We fear the fruit is about all gone, but the wheat looks good.

Mrs. Nellie Langston Tadlock Died Apr. 23

Nellie Irene was born June 8, 1908 to R. L. and Maud Wesley at Memphis, Texas, Aug. 17, 1924. To this union 7 children were born: Mrs. Homer A. Walker, Silina, Kansas; Billie, Troy, Robert, Normald Ray, Dorothy Fay, and Gertrude Langston of Dill, Okla.

She professed faith in Christ at the age of 14 and was a true Christian when she departed this life on April 23 at Clinton, Okla.

She married Gilbert Tadlock Aug. 31, 1943. She leaves him and four step children at Dill, Okla. Other relatives left are her mother and stepfather, W. C. Arnold Memphis, Texas; 2 sisters, Mrs. R. L. Rogers, Canyon, and Mrs. Riley Eudy, Seymour, Texas; four brothers, Bill Wesley, Plainview, Buck Wesley, Silverton, Lee and Luther Wesley, Canyon; four uncles and three aunts, E. P. H. B. J. W. and W. E. Wesley, Ella Hext, Happy; Emma Charles, Albuquerque, N. M.; Theresa Rogers, Canyon, and a host of nieces, nephews and friends to mourn her loss.

Saturday and Sunday Mr. and Mrs. R. L. Campbell had as house guests Mr. and Mrs. L. C. Campbell from Edith, Texas, and Phm. 1/c and Mrs. Bob S. Campbell, Corpus Christi, who will be here throughout the week.

Mr. and Mrs. T. C. Thompson returned home Friday from Temple where they went through the clinic. Both expect to return to Temple in the near future for further medical treatment.

O. O. Henry has resigned from his work in the Postoffice and has gone to work for the American Zinc Company of Illinois in Dumas. His family will move to be with him the first of May.

Miss Margaret Nicholas from Wichita Falls is visiting this week in the home of her parents, Mr. and Mrs. D. A. Nicholas.

Meat Committee Formed by OPA

Formation of a national meat industry advisory committee to advise and consult with OPA was announced this week.

The committee is made up of members who represent virtually every segment of the meat industry, including the farmer, the feeder, and the producer of cattle, lambs, and hogs, along with the wholesaler, packer, retailer, and restaurant operator. All members were selected by members of the meat industry, not by the OPA.

Functioning like a board of directors, the new committee will occupy a position that is unique in food rationing. It will offer suggestions for improvement in rationing methods and will thoroughly discuss any suggestions offered by OPA officials having a bearing on the meat industry.

Mrs. Robert Miller, who has been visiting for some time in the parental J. C. McClendon home, leaves this week to rejoin her husband, S/Sgt. Robert Miller, in Colorado Springs, Colorado.

Harvey Cash was improved sufficiently yesterday so as to be able to be at his desk at the City Hall.

CARD OF THANKS

We wish to take this opportunity to thank our many friends for their expressions of sympathy and deeds of kindness to help us during the illness and death of our wife, mother, sister and niece.

Gilbert Tedlock and children, Mrs. Homer A. Walker, Mr. and Mrs. W. C. Arnold, M. J. Wesley and family, J. H. Wesley and family, Luther Wesley and family, W. L. Wesley and family, R. L. Rogers and family, Riley Eudey and family.

Mrs. Jack Walker of Ft. Sumner, N. M., spent the week end at the home of her mother, Mrs. T. S. Maxwell.

The son of Pvt. and Mrs. L. A. Foster has been very ill. His grandmother Gipsen has been on the sick list too.

Clyde Davis has returned from Indianapolis, Ind., and Louisville, Ky., after a two weeks visit with his mother and other relatives.

President J. A. Hill was the speaker before the Borger Rotary Club last Tuesday. His subject was "The Future of Free Enterprise."

Mr. and Mrs. H. C. Wester from Springfield, Mo., arrived Thursday to make an extended visit with his brother, W. I. Wester and family.
